## THIS 'N THAT

- Welcome new families: Knox, Baker, Draper, Flench, Hammelman, Ames, Breaux, Miller, Gross, Borgmann, Hunter, Bowman, Pfaff, Harlow, Dodds, Keesling, Sunjic, Capen, Albert, Speck, Campbell, Tien-Tran, Montgomery, and Carter. We are so happy you have joined our Noah's Ark family!
- We will be ordering Noah's Ark t-shirts in September....look for information in your folders!
- Activity fee is due September 1. It is \$40.00 per child and is used to purchase all of our preschool supplies for the entire year. That averages out to \$4.45 per month, \$1.12 a week or just \$0.22 per day!
- Please remember to check your child's folder every day.
- Summer vacations are almost over and we bid a fond farewell to Miss Megan and Miss Danielle who will both be attending college this fall. I know the children will miss them.
- We will be closed on Labor Day: Sept. 5. Full tuition is due unless you use a white coupon.
- It's never too soon to think about Christmas, is it? Mark your calendars now for the 16th annual Christmas Program held the first Sunday in December every year. This year's date is December 4 at 6:00 p.m. I tell you this so when your child comes home singing Christmas songs in October, you won't think we are crazy!!
- Do you need to update your records? Have you changed jobs, new phone number or address? New shots too! It is so important that we have accurate records so that we can reach you if there is an emergency. Thanks!!

## WATER DAYS

Can you believe summer is almost over? It has certainly been a hot one. I think this is the first summer ever that we haven't had to cancel a water day because it was too cold! Even though the weather will still be warm (and probably HOT) for awhile, we always

end water days with the start of school. So Wednesday, August 10 will be our LAST one. It is always extra special because the fire department comes with their big ladder truck and sprays the children with the hose. Look for pictures because we have a blast!

Everyone will have water day at 2:30 this day. Please bring a pair of water shoes or old tennis shoes that can get soaked because they will be running in the back field and we don't normally play their, so we don't want any bare feet to get hurt.

There is no rain out date.....
